About SmithCo

For 30 years, we have been engineering and producing the most durable, innovative trailers for superior stability, easier unloading, and faster cycle times than conventional end and side dump trailers.

Our vision is to deliver the highest-quality, most innovative side dump trailers.

Our family of side dump models should help you find the right solution for your hauling needs. SmithCo's custom manufacturing capabilities will ensure you are working in the safest and most efficient manner.

Our team's exceptional talent, superior manufacturing process, and unmatched customer support make SmithCo trailers the preferred choice among haulers.

Warranty

Our side dump trailers are manufactured with the best commercial

practices. SmithCo guarantees its products to be free of defects for 1 year and will replace or repair defective parts, as described in our full warranty.

Customer Service

SmithCo is known for outstanding customer service. If you have a question, we're here to help. Check out our support resources online and get in touch with us directly if you still have questions. Our expert staff are ready to advise on any side dump topic. Let's get you back on the road.
